CRIME SCENE DESCRIPTION:

This incident occurred at Palestine Regional Medical Center, Intensive Care Unit Room #10, a public hospital, located at 2900 S. Loop 256, Palestine, Texas 75803.

INVESTIGATOR'S NARRATIVE:

On 07/24/2011 at approximately 9:00 a.m. Offender Hudson requested and received a medical pass from Officer Celeste Salas, CO5, after complaining that Offender Hudson was not feeling well. Offender Hudson returned to his assigned bunk at approximately 5:00 p.m. After Offender Hudson arrived back to his bunk, Officer Deborah Anding, CO5, asked Offender Hudson if Offender Hudson was feeling well. UTMB medical records reveal Offender Hudson arrived at Beto Unit, non-responsive, with atrial flutter, and a body temperature of 104.8 degrees (outside temperature over 100 degrees). INCIDENT/INVESTIGATION REPORT

CASE #: 2011_02960

At approximately 4:00 p.m., Investigator Gray arrived at PRMC. Investigator Gray located Offender Hudson in ICU, Room #10 with Officers Terry Walling and Kevin Warren maintaining the TDCJ Transport Log. Offender Hudson was lying on his back in bed wearing a hospital gown and partially covered by a sheet. IV's and a ventilator were observed connected to Offender Hudson.

At approximately 4:47 p.m., life support was discontinued. Cade Hudson (Offender Taylor's son) and other family members were permitted to enter Offender Taylor's room. Chaplain Thomas was also present. On 07/25/2011 at 4:56 p.m. Offender Taylor was pronounced dead; with Dr. Cesar Ny death diagnoses being Septic shock with multi-organ failure, Multi lobe pneumonia, Supraventricular tachycardia, Coronary artery disease, Hypertension, and Acute respiratory failure.

After the family exited ICU, Investigator Gray photographed the body of Offender Hudson. Investigator Gray did not observe any lacerations or contusions on the body of Offender Taylor. At approximately 5:26 p.m. Judge James Wesley, Justice of the Peace Precinct 4, was notified and declined conducting an inquest due to Dr. Ny signing the death certificate. Investigator Gray obtained PRMC and UTMB medical records for Offender Hudson and completed an Investigator's Custodial Death Report.

Offender Hudson's medical history revealed Coronary Artery Disease, Paroxysmal Ventricular Tachycardia, and Hypertension. Offender Hudson's current medications were listed as Elavil, Ecotrin, and Lopressor.

Carnes Funeral Home was notified to transport the body of Offender Taylor.

Investigator Gray completed and submitted an AG Death Report. Investigator Gray obtained TDCJ Administrative Review Report Incident #I-10459-07-11 which contains IOC's from Officers and Offenders that report Officer Hudson appeared ill and received medical assistance from Gurney staff.

On 07/26/2011, Investigator Gray downloaded digital photographs onto a compact disk and placed the compact disc into Beto Evidence Inventory #11-047 (case management inventory #2011.02960.0001).

On 08/08/2011, the Provisional Autopsy Report #AU-11-00155 dated 07/29/2011 by Pathologist Judith F. Aronson, M.D. was received. The report listed the heart was enlarged with biventricular hypertrophy. Findings in the heart and lungs suggested pulmonary hypertension and the brain was swollen. Manner of death was pending further studies.

On 09/06/2011, Investigator Gray received Offender Hudson's death certificate, which lists the manner of death as natural.

On 10/10/2011, the Final Autopsy Report #AU-11-00155 dated 10/05/2011 by Pathologist Judith F. Aronson, M.D. was received. The report states, at autopsy, there were a number of findings characteristic (but not diagnostic of) heat stroke. Finding included multifocal hemorrhages in skin, lung, lamina propria of bowel and bronchi, and tongue correlate with coagulopathy. The kidneys showed findings consistent with acute tubular necrosis. The brain showed extensive acute ischemic changes and edema, the result of anoxic brain injury from the cardiac arrest. The lungs showed very focal, microscopic areas of acute bronchopneumonia which was viewed as a complication of his arrest and intubation.

Toxicology (Performed at Aegis sciences Corp) are pending at the time of the final autopsy report with results to be reported separately. A supplement will be submitted when Toxicology report is received

Unit Medical Department due to illness. After conferring with the medical department, offender Hudson was given a pass and departed the building. At approximately 1700 hours, Correctional Officer V Salas reports that offender Hudson returned to the building and his assigned bunk. Correctional Officer V Deborah Anding observed offender Hudson at his bunk and, after determining that he looked as if he was not feeling well, approached and inquired as to his condition. Offender Hudson stated that he had just returned from the medical department where he had received his medication and was going to lay down. Correctional Officer V Anding offered to have offender Hudson return to the medical department to which he declined.

On July 24, 2011 at approximately 1755 hours, Correctional Officer V Tom Griffin observed offender Hudson in his assigned bunk, B8-29, shaking uncontrollably. Correctional Officer III Monica Lang, assigned as the B2-Building Control Picket Officer, immediately initiated the Incident Command System and requested a wheelchair. Lieutenant Ronald Johnson, with A-Team Response, arrived, with a wheelchair, entered B8-Dorm and accessed offender Hudson's condition. Offender Hudson was able to rise from his bunk and sit down in the wheelchair and, from there, escorted to the Gurney Unit Medical Department.

Due to no on-site medical staff on the Gurney Unit, on-call medical staff at the Beto Unit Medical Department was contacted, specifically, Licensed Vocational Nurse Nancy Betts, who instructed Lieutenant Johnson to transport offender Hudson to the Beto Unit Medical Department by unit van. Offender Hudson's condition, at this time, would not prohibit him from being transported via van, therefore at 1840 hours; the transport was conducted with Correctional Officer V Richard Robertson, Correctional Officer V Theresa Robertson and Correctional Officer V Albert Beckman assigned as security.

relieved the following morning by Correctional Officer V Terry Walling and Correctional Officer V Kevin Warren.

At approximately 1450 hours, Correctional Officer V Walling reports that Mr. Cade Hudson, listed as offender Hudson's son, had decided to remove offender Hudson from all forms of life support within that hour. At approximately 1647 hours, medical staff entered Intensive Care Unit Room #10 and removed all forms of life support. As a result, at approximately 1656 hours, offender Hudson was pronounced deceased by Dr. Uy.

Present at the time of death were Investigator Brenda Gray of the Office of Inspector General, Chaplain Thomas Taylor and Mr. Cade Hudson, therefore their times of notification were noted at 1656 hours. Investigator Gray obtained photographs and began an investigation, departing at 1838 hours. Correctional Officer V David Dixon and Correctional Officer V Glenda Dixon arrived to relieve first shift staff, Correctional Officer V Walling and Correctional Officer V Warren.

At 2228 hours, Mr. Joe Luna of Carnes Funeral Home arrived, having been notified at 1746 hours. Mr. Luna departed the hospital at 2239 with offender Hudson's remains. At that time, all Gurney Unit staff returned to the facility to initiate the required reporting procedures.

A unit investigation revealed, through offender witness statements, that offender Hudson had complained of being ill to other offenders in his assigned housing area; however, only reported his condition to security staff on July 24, 2011. Once reported, he was promptly sent to the medical department where he was examined by a licensed medical professional and returned to his assigned housing.

Warden Dennis Miller and Major Jerry Rayford were notified of the incident at approximately 1705 hours. At approximately 1718 hours, the Anderson County Sheriff's Department was contacted and declined to dispatch a deputy to the location nor did they issue a case number. At approximately 1726 hours, Judge James Westley, Justice of the Peace, Precinct #4, was notified by Dr. Uy and indicated that his presence was not required and did not order an autopsy. As a result, Warden Miller ordered an autopsy and the family did not object. At approximately 1929 hours, Ms. Hollis Murray of the Emergency Action Center was notified and issued Incident Number I-10459-07-11. Mr. Cade Hudson indicated that the family would claim offender Hudson's remains and personal property.

Our mission is to provide public safety, promote positive change in offender behavior, reintegrate offenders into society, and assist victims of crime.

SUMMARY OF INCIDENT

On 07/24/2011, at approximately 1755 hours, on the Joe F. Gurney Transfer Facility, located in Palestine, Texas, in Region II, Offender Hudson, Douglas #1722504, was lying in his bunk, B8-29, when he began to shake and became unresponsive. The officer assigned to the building notified a supervisor immediately. Lt. Ronald Johnson responded to the building with a wheelchair and escorted Offender Hudson to the Gurney Unit Infirmary.

Offender Hudson is a G2 custody offender serving a 25-year sentence out of Johnson County for DWI-3 or More. He is a white male, 62 years old, 6'3" tall and weighs 228 pounds.

Due to the Gurney Unit not having medical staff available, Lt. Johnson notified the Beto Unit Medical Department at 1810 hours. Licensed Vocational Nurse N. Betts instructed Lt. Johnson that Offender Hudson would need to be transported to the Beto Unit via security van for treatment and observation.

At approximately 1840 hours Offender Hudson was transported via security van to the Beto Unit. While being treated at the Beto Unit, medical staff determined that Offender Hudson would need to be transported to the Palestine Regional Hospital, located in Palestine, Texas, via ambulance.

At 1945 hours Offender Hudson was transported via ambulance to Palestine Regional Hospital enroute to be life flighted to the East Texas Medical Center in Tyler, Texas. While at Palestine Regional Hospital it was determined that Offender Hudson's condition was too unstable to be transported by life flight to East Texas Medical Center. He was instead taken out of the helicopter and into the emergency room. While in the emergency room, Offender Hudson went into cardiac arrest. CPR was performed and a pulse was obtained, but Offender Hudson's condition was critical. He was placed in the Intensive Care Unit #10. Offender Hudson remained in critical condition throughout the night.

On 07-25-2011 at approximately 0400 hours Palestine Regional Hospital notified Lt. Terry Bagley that Offender Hudson's condition had worsened and that he would most likely not recover from his illness.

At 0405 hours, Lt. Terry Bagley notified Warden Dennis Miller of Offender Hudson's condition.

At approximately 0415 hours Lt. Bagley notified Chaplain Thomas Taylor of the situation.

On 07-25-2011 and at 1656 hours, Offender Hudson was pronounced deceased by Dr. Cesar Uy, M.D.

Let it be noted that Chaplain Thomas Taylor, Larry Mars of the Office of the Inspector General, and Cade Hudson the Next of Kin, were all present at the time Offender Hudson was pronounced deceased, so their time of notification can also be noted at 1656 hours.

Warden Dennis Miller and Major Jerry Rayford were notified at approximately 1705 hours.

At approximately 1718 hours Anderson County Sheriff's Office was contacted.

At approximately 1726 hours Justice of the Peace, James Westley, was notified. Mr. Westley spoke with Dr. Uy via telephone, who verified Offender Hudson's death. Mr. Westley determined there was not a need for him to be present at the hospital.

At approximately 1746 hours, Carnes Funeral Home, located at 3100 Gulf Freeway, Texas City, Texas, 77591, was notified. At that time, Offender Hudson's son, Cade Hudson, stated he would claim the body. Mr. Cade Hudson also stated he would be claiming Offender Hudson's property. An autopsy was ordered by Gurney Unit Senior Warden Dennis Miller.

At approximately 1929 hours Hollis Murray at the Emergency Action Center was notified and he assigned Incident Number I-10459-07-11.

At approximately 1937 hours, Offsight Medical Transport (OMT) was notified.

It should be noted that Offender Hudson is a United States Citizen. Preliminary cause of death was determined to be Septic Shock with Mult Organ Failure pending an autopsy report.

To	Jerry Rayford, Major Joe F. Gurney Transfer Facility	Date	July 25, 2011
From	Terry Bagley, Lieutenant Joe F. Gurney Transfer Facility	Subject	I-10459-07-11

On July 25, 2011 at approximately 1656 hours, it was reported to the Joe F. Gurney Transfer Facility that Offender Hudson, Douglas #1722504 had passed away at Palestine Regional Medical Center due to illness. Offender Hudson had been transported to PRMC on the previous night.

On July 24, 2011 at approximately 1755 hours, it was reported by staff assigned to Hudson's assigned building that the offender had been discovered in his assigned bunk, shaking and in need of medical attention. Lt. Johnson had responded and supervised the escort to the medical department and the offender's departure to Beto Unit Medical Department.

On July 24, at approximately 1945 hours, Hudson was transported, via ambulance to Palestine Regional Medical Center and was scheduled to depart there, via life flight helicopter, enroute to East Texas Medical Center in Tyler. When the transport to ETMC Tyler was attempted; however, it was determined that Hudson was not stable enough for transport and he was returned to the emergency room where he went into cardiac arrest. The offender was stabilized and was admitted and assigned to Intensive Care Unit #10. Hudson remained in critical condition for the duration of the night.

On July 25, at approximately 0400 hours, staff from PRMC contacted me and advised that Hudson's condition had worsened and that he would most likely not recover from his illness. As a result, at 0405 hours, I notified Warden Dennis Miller of Hudson's condition and the probability that he may pass away.

At 0415 hours, I contacted Chaplain Thomas Taylor and advised him of the situation.

On July 25 at approximately 1656 hours, Dr. Cesar Uy, M.D. pronounced Hudson dead. At the time of his death, Chaplain Thomas Taylor, Investigator Larry Mars of the Office of Inspector General and Mr. Cade Hudson, the next-of-kin, were all present at the time of death therefore their notification time is the same.

At approximately 1726 hours, Dr. Uy contacted Justice of the Peace, Precinct #4 James Westley who verified Hudson's condition with Dr. Uy and determined that there was not a need for him to report to the hospital. Judge Westley did not order an autopsy of the deceased offender.

At approximately 1746 hours, Carnes Funeral Home was contacted. Also, at that time, Hudson's son, Cade Hudson indicated that he would claim the body. Also, Cade indicated he would be claiming Hudson's property. An autopsy was ordered by Warden Miller.

Officer Theresa Robertson COV, and I, Officer Richard Robertson COV, maintained security on a medical transport of Offender Hudson, Douglas #1722504 from the Beto Unit to the Palestine Regional Medical Center. Offender Hudson was transported from the Beto Unit via ambulance to the Palestine Regional Office where he was to be transported via Life Flight to the East Texas Medical Center in Tyler, Texas due to his serious condition. Offender Hudson was in full restraints while being transported in the ambulance. While in the ambulance, Officer T. Robertson, rode in the back of the ambulance and I, Officer R. Robertson rode in the front due to fact that I had the weapon. Upon our arrival at the Palestine Regional Hospital, Offender Hudson was taken out of the ambulance and taken from the gurney of the ambulance to the gurney of the helicopter. He was then loaded onto the helicopter and Officer T. Robertson was to maintain security on Offender Hudson while he was in the helicopter. After Offender Hudson was loaded onto the helicopter his condition worsened and he went into cardiac arrest. Offender Hudson was unloaded from the aircraft and taken into Emergency Room #1 of Palestine Regional Hospital. CPR was performed on the offender by medical staff and he was revived. The doctor ordered the hand restraints to be removed. The hand restraints were removed, per doctor's orders, at 2123 hours and replaced with soft restraints. Leg restraints were removed, per doctor's orders, at 2320 hours and replaced with soft restraints. Offender Hudson was moved to the Intensive Care Unit Room #10 at 2240 hours where Officer T. Robertson and myself maintained security as medical staff continued to assess and treat the offender's condition throughout the night. At 0550 hours I was relieved by first shift officers.
